

AAPS Mission

AAPS advances the capacity of pharmaceutical scientists to develop products and therapies that improve global health.

Section Forum Charge to Support the AAPS Mission

Generate collaborative learning opportunities for pharmaceutical scientists.

Tasks

- Identify and develop unique content that capitalizes on collaboration between areas of AAPS
- Support development of content that addresses depth and breadth (level 1, level 2, and level 3) for pharmaceutical scientists in all stages of their careers
- Track learning opportunities detailing content timing and level of programming
- Share best practices and new initiatives, and increase intra- and inter-section networking
- Review the focus groups to identify commonalities, address overlap, and analyze section affiliations
